Senior Class

The senior year of 1978 greeted us with many fund-raising activities. We wanted to raise as much money as possible to make our last year a memorable one.

The year started off with us selling flags, buttons, bumper stickers, etc. at all the football games. Then we started to sell refreshments at adult education. October 21 we had a very successful Halloween dance, raising over 200 dollars, and everyone had a good time. In November and December we sold Christmas items, baked goods and other miscellaneous items at the Billerica Mall. Starting in December we ran a hotdog stand at all the hockey games. We had a Donkey Basketball game April 11th and also a car wash the same month. May was our grand finale with the variety show the 4th, 5th, and 6th.

The seniors were just as busy with the non fund-raising activities, mainly the senior prom. The four class officers spent months choosing just the right place, band and prom favors. The prom was held at the Danversport Yacht Club, May 11th.

As we graduate June 8th, there is a feeling of satisfaction and accomplishment in everyone and a bright future to look forward to.

National Honor Society

During the school year '77-'78, the National Honor Society once again provided an interesting and sometimes exciting experience for its sixty members. All members were required to participate in at least two fund-raising and two service projects, but almost all were involved in most of the NHS's numerous activities.

At the beginning of the NHS calendar was its most formal occasion, the initiation. Parents, relatives, and teachers were invited to witness this event, which was held in the New Addition cafeteria on November 20, 1977. Along with Ms. Madsen and Ms. Cardarelli, the NHS advisors; Mr. Flaherty, the superintendent of schools; Mr. Archambault, the High School principal; and Mr. Johansen, the senior housemaster delivered introductory speeches highlighting the occasion. Short speeches, elaborating on the four qualities of the NHS member, were also delivered by the four officers, Frank Tino, Janet Aylward, Nancy Squitieri, and Karen Hoyt, the President, Vice-President, Secretary, and Treasurer respectively. Highlighting the evening was the candle-lighting ceremony, during which each member lit a candle symbolizing the lighting of the

flame of learning. After the ceremony, everyone was invited to pastries and refreshment.

The National Honor Society did not wait long to begin helping their school and society. On November 2, they were guides at Career Day, helping to direct over 3,000 students and teachers to their proper rooms. They also performed the role of guide at the three Parent-Teacher Nights, as they assisted parents, unfamiliar with the school, in finding the proper rooms. Perhaps their most admirable service to both school and community, however, was the blood drive. They enlisted donors, organized the procedure, and assisted the nurses, as they managed to raise over one hundred fifty pints of blood for the Red Cross. In this manner, the NHS has benefitted not only the school but also their fellow man.

The highlight of the year for the National Honor Society is the three-four day trip in April. The destination of this year's trip has not yet been determined, but among those suggested are the White Mountains, Montreal, Jug Inn (a resort in the Berkshires), and Washington, D.C. The major factor in determining the location of the trip is the amount of

funds available. Along these lines, the NHS has used various means of raising funds. Candy has been sold in December and is slated to be sold again in March. Personalized stationery was also sold in December and was a great success for both the NHS and the customers. On February 18, a bake sale was held at the Billerica Mall. All baked goods sold were made by the members, making this activity very profitable. With the combined earnings of these fund-raising activities, the NHS has helped to make this year's trip a pleasure for all involved.

The National Honor Society is more than just a trip at the end of the year. It is a learning and helping experience for all its members, promoting teamwork and community service. I feel certain I speak for all its members when I say we are happy to belong to the 1977-1978 National Honor Society of Billerica High School.

Choral Department

The Chorus and Special Vocal Ensemble, both, have performed many concerts this past year and have a few scheduled for Spring as well. These two groups have been asked to sing at such places as the Andover Country Club for the Rotary Club Christmas party, Parish Hall for St. Theresa's Women's Club, Our Lady of Nazareth in Wakefield, the Locke and Marshall Middle Schools, and the 1900 Club.

This year the chorus and Ensemble performed something a bit out of the ordinary at their Christmas concerts, The Chorus accompanied the Ensemble in a choreographed medley from "Godspell." This medley was a hit with the audiences for which it was performed.

In April of 1978, the Choral department will present the Spring musical under the direction of Paul Cox. The musical this year will be Meridith Wilson's "The Music Man."

The Seniors of the Choral department will present their Senior Recital in early May. This will be the final performance of a very enjoyable and exciting year.

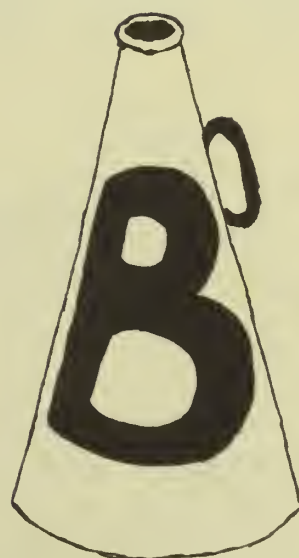

Spirit Week

During the week of February 13-17 the winter cheerleaders held a Spirit Week for the students of the school. Due to the snowstorm the week before, many activities had to be cancelled. There were still many events going on though. On Thursday of the week a Gong Show was held. The contestants were all students from the school and the judges were teachers. The winner was a late contestant from the audience, Benny Cawthron, and for a prize he received \$5.12 in pennies. The Gong Show was very successful and everyone enjoyed it.

We also had a 50's dress-up day that same day. Everyone in the school was asked to dress-up. We also held a bubblegum blowing contest in the cafeteria between the winter sports captains. Debbie Gifford, the girls basketball captain won the contest and received bubblegum for her prize.

On Friday, February 17, the winter cheerleaders put on a rally. This is to give attention to the winter sports teams and let the students know what their teams have accomplished in the winter season. A great effort was put out by all involved. The rally was the finishing touch for Spirit Week.

Band

Ski Club

The Ski Club is composed of high school students who enjoy skiing purely for its recreational and aesthetic values.

The club sponsors several day trips each year to ski areas in New Hampshire and Vermont as well as a week long trip during February school vacation.

The February vacation trip has been in effect for the past six years and during that time over 200 people have enjoyed skiing in such remote areas as France, Austria, Italy, Switzerland, and Colorado.

This year the ski club is sponsoring a trip to Steamboat, Colorado during the February vacation and over 30 high school students will be going on this trip.

R.O.T.C.

There are many activities within our Marine Corps Jr. ROTC program. The ROTC sponsors about five to six dances a year, with a leading Disc Jockey as emcee. Included in these dances are members of the Burlington and Woburn Jr. ROTC programs.

Other activities in which we participate in are the Drill Team, the High School Rifle Team, and a variety of intramural sports. This year we have organized a Physical Fitness Team, to represent Billerica High in a nationwide athletic competition.

Throughout the year we have many field trips, which include visitations to local military bases, marksmanship firing with the .22 cal. rifle, and everyone takes the Marine Corps Physical Fitness Test. Our longest and most popular trip is the one week orientation visit to Quantico, Virginia. Quantico is where the Marine officers are trained. The cadets participate in many of the same activities as the regular Marines.

The Circle Game

Yesterday a child came out to wonder
Caught a dragon-fly inside a jar.
Fearful when the sky was full of thunder,
And tearful at the falling of a star.
And the seasons, they go round and
round
And the painted ponies go up and down.
We're captive on the carousel of time.
We can't return, we can only look behind
From where we came and go
Round and round in the circle game.
Then the child moved ten times round
the seasons,
Skated over ten clear frozen streams,
Words like, when you're older, must ap-
pease him,
And promises of someday make his
dreams.
And the seasons, they go round and
round
And the painted ponies go up and down.
We're captive on the carousel of time.
We can't return, we can only look behind
From where we came and go
Round and round in the circle game.
Sixteen springs and sixteen summers gone
now.
Cartwheels turn to car wheels thru the
town.
And they tell him, take your time,
It won't be long now, till you
Drag your feet to slow the circles down.
And the seasons, they go round and
round
And the painted ponies go up and down.
We're captive on the carousel of time.
We can't return, we can only look behind
From where we came and go
Round and round in the circle game.
So the years spin by and now the boy's
twenty,
Though his dreams have lost some grand-
eur coming true,
There'll be new dreams, maybe better
dreams,
And plenty before the last revolving year
is through.
And the seasons, they go round and
round
And the painted ponies go up and down.
We're captive on the carousel of time.
We can't return, we can only look behind
From where we came and go
Round and Round in the circle game.

By Joni Mitchell

We hope this book will help keep the carousel going round for the Class of 1978.

Administration

To the Class of 1978

Congratulations on your graduation from Billerica Memorial High School. We look with pride upon your accomplishments and we feel a stronger sense of security as we face the future.

As children of turbulent sixties and young adults of the backlash seventies you have been on the rollercoaster ride of American thought. You have experienced both the strong liberal and conservative thrusts of the American people. You can only be wiser and better for this experience.

So, as the number of young people in this country decreases and we become a nation of older citizens, your generation may receive the mantle of leadership at an earlier age and keep it for a longer period of time. If that is to happen, I look with confidence upon the days to come.

Again, my congratulations and best wishes!

Sincerely,

William H. Flaherty, Jr.

Congratulations Class of 1978 on having completed the requirements necessary to obtain your high school diploma. This is a very important event in your life. You now have in your possession a document attesting to the satisfactory completion of a milestone in your life. The diploma you earned, you will always have. It cannot be taken away from you.

Best of luck, good health and success in all you undertake in the future.

Fall Sports

Volleyball The Girls Volleyball Team concluded another highly successful season as they captured a 3rd straight Merrimack Valley Conference crown, placed 2nd in the North Sectionals and advanced to the State Tournament, as one of the 8 finalists. Coach Lynn Hazel's team finished the season with a 14-3 overall record, and a 10-2 record in league play.

The team saw their 16-game winning streak broken by Chelmsford High School early in the season. However, late in the season, Billerica avenged this loss as they dumped Chelmsford by the scores of 15-1, and 15-5, assuring them of the title, and eliminating Chelmsford from contention.

Co-captains Debbie Gifford and Jacky Tracy led the team in scoring, as well as turning in fine performances all season from their spike positions. After coming off an early season injury, Nancy Conroy again displayed the form, both scoring wise and in spiking, that makes her one of the areas most consistent volleyball players. Setting well all season were senior Margaret Hall and sophomores, Judy Lang and Marla Hall.

With only 3 seniors graduating (Debbie Gifford, Margaret Hall, Karen Hoyt) Coach Hazel has a strong nucleus of returning lettermen for next year. Rounding out the squad were juniors Maureen Healey, Donna Gifford, Lisa Ceglanski, Donna Callihan, and Kim Ceglanski.

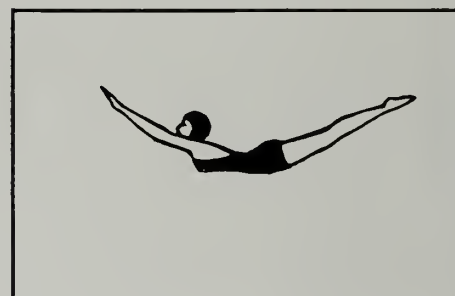

Field Hockey The Girls Varsity Field Hockey Team enjoyed a much improved season this year with a final record of 6 wins, 6 losses, and 2 ties. Seniors on the team were captain Carol Higgins, Lisa Smith, Rita Mitchell, Lisa Neary, Kim Richardson, Robin Gordon, Judy Leonard, Cindy Williams, Brenda Powell, Karen Fredrickson, Ann-Marie Errico and Margaret McNamara. Next year's future looks very bright with Junior-Captain-Elect Virginia Whiteway, and sophomores Diane Busnach, Nancy Elden, Mary Ellen Fitzpatrick, Barbara Gosselin, Lori Jean, Brenda Jennings, Robin O'Connor, Barbara Paquette, Susan Staffier and Sandy Sutherland, returning to the squad.

The Junior Varsity Team coached by Miss Robertson and the Freshman Team coached by Mrs. Sarno also enjoyed winning seasons. Both of these teams have some excellent players who will be adding the needed depth to the Varsity squad next year.

Football The 1977 Billerica High Football Team, under the very dedicated direction of coach Meyerhoefer, was once again a very exciting

team. Despite injury and adverse weather conditions, the Indians played with great determination throughout the season and were once again an important factor in the M.V.C. title race. Only a heart-breaking 7-6 loss to Dracut and a 10-0 defeat to Chelmsford, before the largest Thanksgiving Day crowd in Billerica history, separated the Indians from the conference co-champions. We are proud of our football team and we thank them for their hard work and the excitement they gave to us this season.

Swimming The Girls Swim Club, coached by Susan Hale and Jan Burke, was one of the new sports teams this year. Captained by Lee Devereaux and Pam Ryan, the team practiced every afternoon at the Shawsheen pool. Although they had a 0-4 season, they have improved with experience and should look forward to a more successful season next year. Both Marie MacDonald, in diving, and Karen Elicour, in swimming, qualified for the Eastern Massachusetts Swimming and Diving Championship.

Cross-Country This year's cross-country team is in the re-building stages, as six of the top seven runners from last year's Division I champions graduated.

The Varsity team had an impressive record of 7 wins and 3 losses.

Injuries to our #2 runner Mike Leyne, #5 runner Don Caterino and senior John Davidson was a key factor in our 3 losses. As a result of these injuries, it hurt the team's chances to repeat as Division I champions.

Jeff Bradford and Jeff Cullinane were captains of the team. Seniors were: Jeff Bradford, Jeff Cullinane, John Davidson, Brian Trainor, and Nancy Cullinane.

The Junior Varsity remained undefeated this year (10-0), and now has a winning streak of 22 straight cross-country wins over a 3-year span.

Jeff Cullinane had another excellent season. He was undefeated this year (winning 15 races) and was undefeated in 28 races over a span of 2 years. Jeff won the state cross-country championship race in record time. He broke the old course record by 7 seconds. The Boston Globe chose Jeff as top distance runner in Massachusetts in 1976 and 1977.

Nancy Cullinane, the only girl senior this year, also had an outstanding record in her 4 years.

Coach R. Samson

Soccer Led by captains Ed Griffin, Mike Hutton, and Aaron Rood, the '77 Soccer team opened up the season under the lights at Lampson Field in the annual "Billerica - Bedford Cup" game. This season got off to a good start as Billerica dumped Bedford by a score of 3-1.

Successive shutout wins over St. John's and Tewksbury set the stage for an early showdown with the rival Wilmington. In the big game against Wilmington, Billerica lost on a late goal, the score being 2-1. Then on to Andover to find a scoreless deadlock. To Methuen for a 9-2 win, a league record for number of goals scored in a single game was set by Mark O'Brien, who scored 4 goals, and set also a league and school record in that game.

During the next four games, the Defense earned the nickname, the "Big D" by shutting out Austin Prep, Lawrence, undefeated Chelmsford, and St. John. In a rematch with rival Wilmington, we became the victor with a score of 3-1. Defense now became the theme throughout the remainder of the season. We posted four 1-0 wins and a 0-0 tie over the final five games of the season.

The "Big D" consisted of goalie Rood, backs Canario, Long, Billy Mercurio, Dennis Estrella and midfielders Thomas, Kilday, and Mitchell. Together they established a new league and school record of 13 shutouts and 5 goals allowed in 16 games.

The Indians were going to the EMASS Playoffs, seated 5th. Billerica drew Falmouth in the opening round, winning by a score of 2-0; 2nd half goals being scored by Mark O'Brien and Ed Griffin. In the 2nd round, we faced Greater Boston

League Champ Arlington, winning that game by a score of 2-0 again, goals being scored by O'Brien and DiMatteo. Next the Indians went to the quarter-finals at B.U., facing Brockton. Again we went to victory by winning 3-0. B.C.'s Alumni Field was the scene of the semi-final round against Wakefield. Defense was the name of the game, through 4 regulation 18 minute periods, two 5 minute overtimes and twelve 5 minute sudden-death overtimes, both teams fought to a scoreless deadlock. Fatigue and exhaustion set in before EMASS Tournament Officials called the game and scheduled the continuation. The game resumed at Masconomet Regional High School to play two 18 min. regulation periods and 5 min. sudden death overtime. In the 1st O.T., Bob DiMatteo rocketed off a shot next to the left post. After 180 min. and 7 seconds, victory was ours. Never before had there been a high school game of this length. Never before has joy and excitement hit the Billerica Soccer scene. The game itself was an epic marathon which won't be forgotten.

The last stop on the schedule was against Needham. The Indians may have been outmatched in skill but not in courage. Needham's high-powered offense hammered away at the Billerica goal throughout the 1st half but goalie Aaron Rood and the "Big D" kept them off the scoreboard until midway through the 2nd period. Needham won 2-0. The Indians were defeated but they remained proud to have come so far and to have stood up to the best. Billerica Soccer earned the respect of Needham, of fans, and above all, Billerica. A class effort by a class team.

First Team All-Stars: Aaron Rood, Bobby DiMatteo, Andre Thomas, Steve Canario.

Second Team All-Stars: Ed Griffin, Mark O'Brien, Mike Long.

Honorable Mention: Mike Hutton Jeff Bullock

In addition to the above named seniors, the following will be remembered:

Mike Morgan, Joe Russel, Dave Herlihy, Phil Sutherland, Regis Burkhardt, Rick Silveria, Mike Kilday, John Mitchell.

The goal for '78 . . . Beat '77's record!

Fall Cheering

"For memory has painted this perfect season with colors that never fade, and we find at the end of this perfect season the accomplishments and friends we have made."

Through tournaments, rallies, and games we have supported our teams with pride.

We would like to thank our coaches, advisors, and fans for an exciting year.

The Gold Dust Twins, Mic & Mac, Tweedle-dee & Tweedle-dum

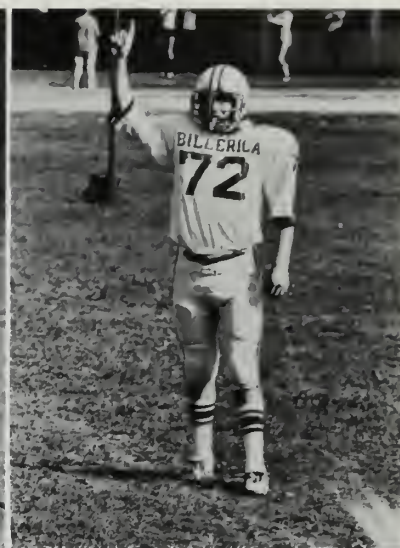

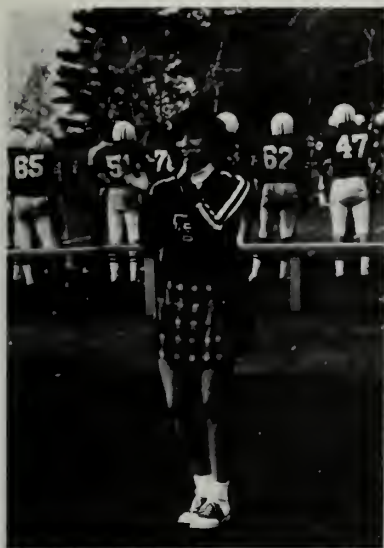

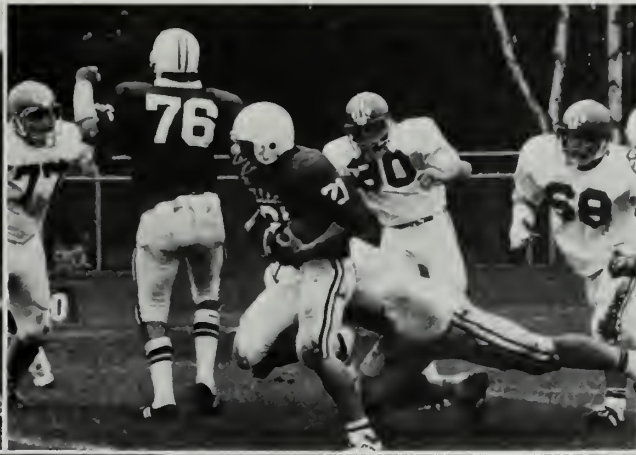

EMASS Soccer Tournament

Billerica's 13-1-2 record and the MVC championship gave the Indians the number 5 seed for the '77 EMASS Soccer Tournament. Billerica opened the playoffs at Babson College with Falmouth. After a scoreless 1st half, Mark O'Brien's 15 yd. blast put the Indians on the scoreboard. With only 3 minutes to go in the game Captain Ed Griffin iced the victory with a breakaway goal set up by a 45 yard clearing pass by Andre Thomas. Billerica's defense was outstanding in the 2-0 shutout win.

By beating Falmouth, Billerica earned the right to play Arlington at Belmont High School. In a steady rain, the Indians broke the game wide open in the final period on goals by O'Brien and Bobby DiMatteo. Again the Indian defense was superb.

BU was the next stop on the tournament trail and Brockton was the opponent. Griffin opened the scoring midway through the first period on a nice pass from O'Brien. Then in the 2nd quarter, O'Brien notched his 3rd tournament goal. DiMatteo finished the scoring on a long 30 yard bomb to the upper far corner. Late in the game standout goalie Aaron Rood was injured and had to leave the game. Freshman Gary Schmehorn took his place and despite some heavy pressure the score remained 3-0 as Billerica advanced to the EMASS Semifinals.

History was made and new records set in the "soccer marathon" vs. Wakefield at Boston College's Alumni Field. After 4 scoreless regulation 18 minute quarters, the game went into overtime. Two 5 minute periods and twelve 5 minute sudden death overtimes were played. The game was finally stopped after both teams had many scoring opportunities. The game was completed at Masconomet Regional High two days later. In the rematch Billerica took control early but continued to miss scoring chances. In the end it was Bobby DiMatteo who set Billerica into the EMASS Soccer finals. Bobby rocketed a shot off the left

post for an incredible 1-0 win. Billerica won the longest high school soccer game in Massachusetts history.

The finals were at BU again against the undefeated Needham Rockets. Time and time again Billerica's defense and goalie Aaron Rood were called upon for a big save. Midway through the 2nd quarter Needham scored. Still Billerica did not quit. Midway through the 3rd period Needham was able to score again. The game ended with a 2-0 win by Needham. The entire Billerica team gave their best effort and were proud of the fine season they turned out.

Football Thanksgiving Day '77

Thanksgiving Day Billerica football fans were treated to a classic football game. This hard fought game, before one of the largest crowds in the game's history, matched two of the conference's strongest teams. Though hampered by sloppy field conditions and being outweighed by 40 lbs a man, the spunky Billerica Indians played with great courage and emotion. The game was punctuated with excellent individual performances and hard

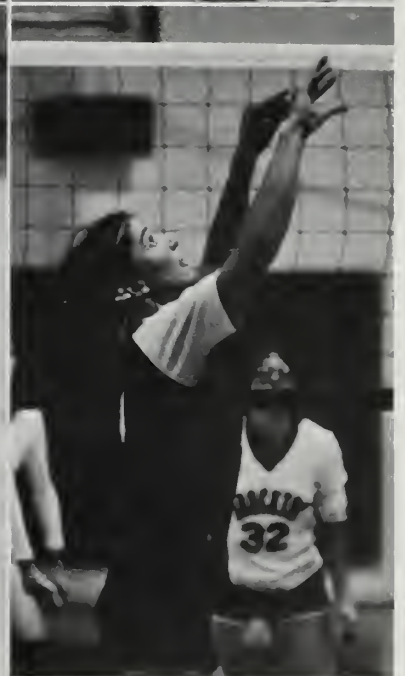

hitting by both teams and in the end, Chelmsford prevailed 10-0. It was a day and a game that will long be remembered by fans and team alike. The courage and "never say die" attitude displayed by this year's football team was an inspiration to us all.

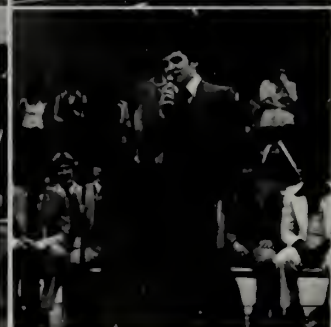

Senior Powder-Puff The Class of 1978 has made many viable contributions to Billerica High both academically and athletically. One unheralded contribution over the past three years has been the superlative performance of the Senior Powder-Puff team. Since their victory over the Freshmen in 75, this team suffered through the pains of questionable scrimmages, adverse pressure to join a mythical Powder-Puff league, the terrible defeat Junior year, and the inspirational triumph over the Juniors this season.

Their manner and conduct have perpetuated the fine tradition of Powder-Puff at Billerica High. Hopefully, the following classes will maintain the fair and sportsmanlike atmosphere this class fought dearly to foster and to protect.

For the past three years, many Seniors have participated at one time or another on Powder-Puff. Due to various extra-curricular and academic pursuits, many had to give up the game. However, not to denigrate the efforts of those who played a season or two (their efforts were greatly appreciated), but rather to enhance and to commend the performance of the three-year players, the following girls must be mentioned because of their dedication.

Mary Anderson, Denise Cannizzaro, Jean Danehy, Anne Dowgos, Linda Lecomte, Nancy Maslin, Sheila MacInerney, Eleanor Newell, Kathy Rivers, Donna Rucinski, Kelly Swanson, Sally Swanberry, Judy Whidden, Maureen Dwyer, Maria DiPietro, and Karen Hallenborg. The rest of the senior team included Donna Amigo, Linda Champa, Debbie Hebert, Lori Nuttall, Carol Riddle, Jan Sheehan, Cheryl Trödella, Debbie Tehan, Anna Squeglia, and Sue Baker.

Winter Sports

Boys' Basketball

This year's basketball team coached by Ed James and Ed Minishak has done very well despite losing everyone from last year's championship team. The team is captained by Lou Turco, Ken Healy, and Mike Bergstrom. The entire team has displayed tremendous desire and a lot of spirit, but most importantly has given the fans a lot of excitement.

The team's outlook for next year looks very bright as the J.V. and Coach Jon Sidorovich's freshman team are developing many fine players.

Girls' Basketball

Though the 1978 Girls Basketball team has few wins this year, the future of this young team looks bright. Of fourteen Varsity members only three seniors Carol Higgins and Co-Captains Rita Mitchell and Debbie Gifford are graduating. Returning to the team next year are six juniors and five sophomores. With outstanding players like juniors Cyndi Travis and Nancy Conroy along with hustlers like Judy Lang and Lori Jean the team hopes to attain a very successful season next year. With the skill, desire, and all around spirit that this team possesses such a goal does not seem too distant.

Indoor Track

The 1978 version of the Indoor Track team was led by senior tri-captains John Davidson, Brian Trainor, and Richard Silveria. Although the team did not enjoy a particularly successful season with a 3 win and 6 loss record, there were several highlights. The two mile relay team of Jeff Cullinane, Jeff Bradford, Brian Trainor, and Rich Silveria broke the school record and the Northern Area record with a 8:30.2 clocking. 1978 also marked the end of Jeff Cullinane's outstanding career here at B.M.H.S. climaxed by his 4:14 mile run which won the Milrose High School mile at Madison Square Garden in New York City on January 27, 1978.

Scott Douglas	- Shot put, hurdles
Pat Viera	- Shot put
Jim Mac Donald	- Shot put
Pat Mullaney	- 1000yd.
Jeff Bradford	- Two mile
Jack Kilroy	- Hurdles, high jump

Paul Bertrard	- High Hurdles
Kim Richardson	- Dash, relay
Nancy Cullinane	- Middle distance, relays
Robin Brown	- Dash, relays
Brian Trainor	- 600 yd., relay
Rich Silveria	- 1000 yd., relay
John Davidson	- Distance, mile run
Jeff Cullinane	- Mile, relay

Wrestling

This year's wrestling team is enjoying its best season ever with a 14-1-1 record. This season marks the first time any Billerica High wrestling team has won a championship. The team is captained by Dave McLean, Mark Garabedian, and Rich Drinkwater.

With all of the wrestlers enjoying their best seasons ever, we are now setting our sights on the sectional and state tournaments. Not only are we looking forward to crowning individual champions, but we also feel a sectional and state championship are within our grasp.

Girls' Gymnastics

The 1977-1978 Girls Gymnastic team is made up of 29 girls, coached by Susan Hale and Diane Smith.

Co-captains for the team are senior Marie McDonald and junior Mary Miklinevich.

Although the team lost its top 4 seniors last year the new freshman and improving upperclassmen show promise of a strong team in the future.

The team finished the season with 5 wins and 7 losses. The team has shown marked improvement during the season.

Boys' Gymnastics

The 1977-78 Boys' Gymnastic Team started the season off with the loss of seven veterans. This, however, did not stop this young deter-

mined team to have a successful season. The all time scoring record was broken this season with a new high of 84 points in a single meet. What they lacked they made up in individual performances.

Junior Paul Sciortino, topped all opposition as an all around competitor, with individual scores that averaged 30 points per meet.

John Mitchell and Barry Gifford did outstanding jobs on the parallel bars, high bars, and still rings.

Todd Guarnieri, Tom Gee, Dave Crawford, Mark Wadeliegh, and Kevin Canning performed well and did an excellent job taking up the slack created by the loss of seven veterans. Although their record of 3-5 is not impressive the team stayed right abreast of every strong team in the league with the exception of floor exercise. In that one event they gave up 5-8 points which in most cases was too great to make up in the course of the six events. In the meet against Andover we won 4 out of the 6 events but still lost the meet.

We are confident about next season with the fact that we are only losing 2 seniors, and this inexperienced team will definitely be a threat in the North Shore League.

Hockey

The 1977-78 Edition of the Billerica High School Hockey Team began the season as the defending Massachusetts Division I and still playing strong. The team lost to Burlington in a non-league game on

December 15. After that loss the team continued its league winning streak and earned its sixth straight Merrimack Valley Title. The team will be losing seniors Jeff Bullock, Steve Arnold, Rick Kirchner, Larry Harlow, Tom Mulligan, Jeff Smith, Steve Dussault, Rich Stimpson, Steve Scholl, Mark O'Brien, Gary Guarino, and Mike Long. This is well-over half of the team. It was a great season. Coaches Richard and Oullette did an outstanding job in keeping the team together for the season. The team will compete in the Division I tournament this year and hopes to bring home its fourth state title for the school.

Hockey Cheerleaders

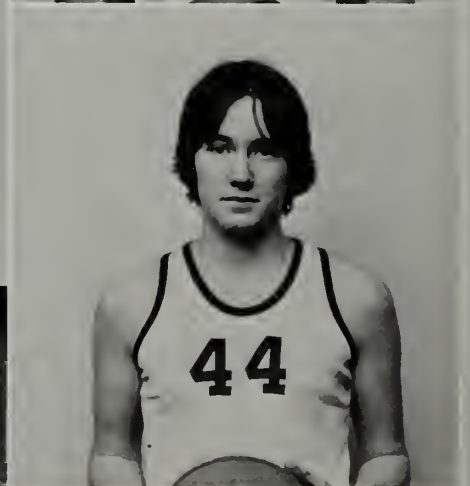

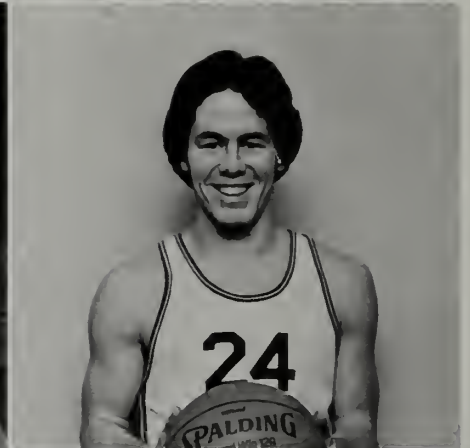

The 1977-78 hockey cheerleaders had a great season. They kept the crowds cheering to spur on our undefeated hockey team. There were a few problems with away games and transportation but it made the season a little bit more lively. The season began and ended with exciting games against Burlington. The fans at the games are the greatest and without them the cheerleaders would not have a job to do. The Team consists of seniors Donna Rucinski, Karen Hoyt, and Linda Lecomte, and juniors Lee Devereaux, Marcia Gearin, and Cathy Mariano. The team is planning on cheering for the hockey team in the state games. This will cap off their 1977-78 season.

Basketball Cheerleaders

The Basketball Cheerleaders had a good season this year. They kept the spirits up and the crowds going strong. They all enjoyed celebrating Coach Ed James' 100th Merrimack Valley Conference win on January 24, 1978. The cheerleading team consists of seniors Maria DiPietro, Lisa Galluzzo, and Colleen O'Brien, and juniors Sharon Russel, Robyn Renna, and Pam McNamara. The cheerleaders would like to thank the fans for supporting them all season.
